

Reno-Tahoe International Airport

PROJECT OVERVIEW

Reno-Tahoe International Airport has 3 runways and 23 passenger boarding gates. It serves the Reno metropolitan area, western Nevada, and parts of eastern California. It is the closest commercial airport to Lake Tahoe.

Reno-Tahoe is the 2nd busiest commercial airport in Nevada.

Approximately 14,000 passengers arrive/depart Reno-Tahoe daily, close to 5 million annually.

The Airport is self-sufficient financially, running on fees and rentals collected from Airport tenants. The total number of Airport employees (including tenants) at Reno-Tahoe is 2,600. The total annual economic impact the airport has on the Reno-Tahoe area is \$3.24 billion.

Corporate Sponsorship Includes:

- 12"x12" space on sign with logo, URL, and contact info
- Up to 2 logos in the map design with caricature for each
- Featured on our Reno homepage with weblink
- 200 Printed Posters
